*Note: Due to Training Tracks Renovations Plans 2021.
These Tracks may change due to construction periods.
From March 2021.

*Note: Amended Dates

Please Note: no.2 Grass will be utilized where possible, weather permitting. In the event of inclement weather and the no.2 grass is changed to the cushion track the following week will be back to the cushion track. This is to enable the rotation of official trials to be run on the grass at all times weather permitting.
