- The trainer with the highest total points at the conclusion of the meeting will be declared the **Winner of the SCTC Night Racing Trainer Challenge** for that meeting.
- Results will be determined based on official race placings.

6. Tie Break

If two or more trainers finish on equal points, the winner will be determined by countback in the following order:

1. The trainer with the greatest number of winners will be declared the winner.
2. If still tied, the trainer with the greatest number of second placings will be declared the winner.
3. If still tied, the trainer with the greatest number of third placings will be declared the winner.
4. If still tied after all countback steps, the winner will be determined by a random draw conducted by SCTC.

7. Prize and Allocation of Buggy

- The winner of each eligible meeting will receive one SCTC branded golf buggy which will be on display at the meeting. The specific buggy allocated to each meeting is identified by its brand, model, colour, vehicle identification or serial number, and any other distinguishing particulars.
- The prize is not redeemable for cash and is not transferable without SCTC's prior written approval.

8. Condition, Inspection and Warranty

- The winner may inspect the buggy at the collection location before taking possession.
- Subject to any rights that cannot lawfully be excluded, the buggy is awarded and accepted as is, in its condition at the time of collection, with all faults, defects, wear and SCTC branding then present.
- SCTC gives no warranty or representation about the buggy's condition, performance, fitness for a particular purpose, road legality, registration eligibility, battery life or future maintenance requirements, except to the extent required by law.
- If any manufacturer or supplier warranty remains transferable, SCTC will provide the winner with the warranty documents in SCTC's possession. SCTC does not provide any separate or additional warranty.
- The winner is responsible for satisfying themselves that the buggy is suitable and lawful for its intended use.

9. Collection, Delivery and Transfer of Risk

- SCTC will notify the winner when the allocated buggy is available for collection and provide the collection location and contact person.
- The buggy must be collected by appointment within 14 days after SCTC gives that notice, unless SCTC agrees otherwise in writing.
- SCTC does not deliver the buggy. The winner is responsible, at their own cost, for collection, loading, securing, transport and unloading, including arranging a suitable trailer or transport provider.
- The winner must provide satisfactory identification and sign SCTC's prize collection and acceptance form before taking possession.
- Ownership, possession and all risk of loss, theft, damage, injury or liability relating to the buggy pass to the winner when the buggy is released to the winner or the winner's nominated carrier at the collection location.
- If the buggy is not collected within the required period, SCTC may extend the period by 14 days. If it remains uncollected, SCTC may treat the prize as forfeited.

10. Insurance, Registration and Use

- The buggy is not insured by SCTC for the winner's ownership, transport or use. Any SCTC insurance applying before handover ends, or ceases to benefit the winner, when risk passes under clause 9.
- From handover, the winner is solely responsible for arranging any insurance, registration, permits, licences, safety equipment, maintenance and repairs required for transport, storage and use.
- The winner must not use the buggy on a public road or in any location where its use is unlawful or unauthorised.
- Liability is the responsibility of the winner from collection.

11. SCTC Sign Writing and Branding

- The buggy will be supplied with SCTC sign writing and branding as displayed on the night.
- The winner must not use the branding in a way that suggests SCTC endorses the winner, the winner's business, or any product or service.

12. Prize Presentation

- The provisional winner will be announced following the final race of the meeting.
- SCTC will contact the confirmed winner regarding collection and acceptance of the allocated buggy.

13. General Conditions

- Participation in the Challenge constitutes acceptance of these Terms & Conditions.
- SCTC reserves the right to verify eligibility and race results and to withhold the prize until that verification is complete.
- SCTC may amend, suspend or cancel the Challenge where reasonably necessary, including because of meeting cancellation, abandonment, changes to the race programme, prize unavailability, safety concerns or circumstances beyond SCTC's reasonable control.
- To the extent permitted by law, SCTC is not liable for loss, damage, injury, cost or expense arising from collection, transport, ownership, storage or use of a buggy after risk passes to the winner.
- Nothing in these Terms & Conditions excludes, restricts or modifies any right or remedy that cannot lawfully be excluded, restricted or modified.
